Pen and Brush Artist Membership is open to women only. Our mission is to advocate for and promote the equality of opportunities available to women in the visual, literary, and performing arts. By expanding the influence and significance of the work of women artists, Pen and Brush supports the inherent value of their work. Pen and Brush provides facilities for exhibition of the work of visual artists, publication of writers' work, performance events for performing artists, readings, mentoring and seminars.

Artist Members are eligible to participate in the exhibitions, readings and performing arts events by submitting examples of their work to a jury of selection. Pen and Brush Artist Members receive member discounts on admission prices, exhibition and contest fees and for gallery or meeting room rentals.
